JUNIOR FULL-STACK DEVELOPER

REACT • TYPESCRIPT • NODE.JS • EXPRESS • MONGODB • REST APIs

Summary

Full-Stack Web Developer skilled in React, Node.js, and TypeScript, with experience building responsive, user-centered applications. Brings clean coding practices, strong problem-solving abilities, and fast learning to engineering teams. Known for attention to detail and a collaborative mindset. Seeking a role contributing to modern development projects while continuing to grow technically.

Key Competences

- Fast Learning & Adaptability
- Clean & Scalable Code Practice
- User-Centered Development
- Attention to Detail
- Time management & Realibility
- UI/UX Design with Figma

Education

Le CNAM Liban UNIVERSITY

Bachelor of Computer Science

Relevant Coursework – Algorithms, Data Structures, OOP, Databases, Web Development, Networking, Software Engineering

Le Cnam Liban, Beirut

2026

SHOUF NATIONAL COLLEGE

Baccalauréat Français – Scientific Track (Math & Science Specialization).

Chouf, Lebanon

2022

Experience

Hurdle Solutions – Full-Stack Developer Intern

Feb 2026 – May 2026

React, TypeScript, Node.js, Express, REST APIs, Databases, Modern Frameworks & Development Tools

- Collaborated with a U.S.-based team in a fully remote environment to develop and maintain modern full-stack applications.
- Worked with a variety of technologies, frameworks, and development tools while following industry best practices.
- Contributed to scalable solutions and clean code architecture while collaborating effectively within an agile team.

Shopora - Full-Stack E-Commerce Platform

React, TypeScript, Node.js, Express, Supabase, Prisma, Zustand, Tailwind CSS

- Built a family task platform with invite links, notifications, weekly list resets, and history tracking.
- Implemented backend logic using Supabase + Prisma for users, families, and list operations.
- Designed responsive UI and clean user flows with Zustand for state management.

Languages

- Arabic — Native / Fluent
- French — Advanced
- English — Advanced

Certifications & Achievements

• Project Management & UI/UX Design Course

Anera / 4Finance Training Center

Developed skills in project planning, team coordination, user experience principles, wireframing, and modern interface design best practices.

2026

• Full-Stack Web Development Bootcamp

4Finance Training Center

Intensive program covering frontend and backend development using TypeScript, React, Node.js, Express, MongoDB, and REST APIs.

2025
